

YOU CAN

*Save the environment
one bag at a time!*

Through small changes in your behavior, you can greatly reduce the amount of garbage you generate.

When properly prepared, plastic bags can be recycled into new bags, plastic lumber and other products!

 100% Recycled Paper

WHAT YOU CAN DO

Recycle plastic bags in four easy steps!

- 1 Empty your plastic bags
- 2 Stuff your empty plastic bags into a single one
- 3 Tie it at the top
- 4 Recycle

It's that easy!
