

**FOR IMMEDIATE RELEASE
AUGUST 11, 2005**

PARTIAL CLOSURE OF CARRY DRIVE SE FOR NEW WATER, SEWER SERVICE INSTALLATION

Medicine Hat – Carry Drive will be closed to through traffic in both directions between Trans-Canada Way and Dunmore Road on Aug. 17, 2005 for the installation of water and sewer service to a new store site on Carry Drive SE.

Traffic heading west on Carry Drive will have access to all businesses up to and including The Real Canadian Superstore. Motorists will not be allowed through to Trans-Canada Way.

Traffic turning onto Carry Drive from Trans-Canada Way will have access to Superstore only, but will not be allowed through to Dunmore Road.

The installation work along this section of Carry Drive SE is expected to take one day to complete.
