## **PEACE AIR SERVICE LEAVING MEDICINE HAT**

**Medicine Hat** – The City of Medicine Hat has been advised by Peace Air that it will cease air service to and from Medicine Hat as of July 31, 2005.

“The changes at the Edmonton City Centre Airport canceling all scheduled flights from southern Alberta have dramatically affected our Medicine Hat service,” Peace Air President Albert Cooper stated in a letter this week to Airport Manager Cuyler Green to advise the City of Peace Air’s decision. “The majority of our customers wanted access to the City Centre airport. With the changes we have lost our niche market and it has made our Medicine Hat service uneconomic.”

The loss of Peace Air service to and from Medicine Hat means an estimated annual revenue loss of \$30,000 for the Airport.

“The Airport will continue to work with Peace Air to see if, in the future, another market opportunity could help restore Peace Air service in Medicine Hat,” said Green.
