## **TERRI CLARK PARK PLAYGROUND UPGRADE DEDICATION**

**Medicine Hat** – Terri Clark Park playground upgrade dedication to take place Friday, September 2, 2005

The official dedication ceremony is scheduled for 2:00 PM on Friday, September 2, 2005. The general public is invited to attend the event which is being held at Terri Clark Park (corner of Huxley Green and Hawthorne Ave NE).

Local residents volunteered their time to help coordinate, redevelop and upgrade the Terri Clark Park playground. The project included the replacement of the playground equipment as well as the installation of benches and picnic tables.

The City of Medicine Hat would like to thank the HIV Aids Network of Southern Alberta for sponsoring the Community Facility Enhancement Program grant application for this project. Their sponsorship of the project and receipt of a grant from Alberta Lotteries made this project a reality.

The existing park located at Huxley Green and Hawthorne Ave NE was renamed in recognition of Terri Clark to commemorate her achievements in the music industry. The City of Medicine Hat and the community also would like to thank Terri Clark for her generous donation to the playground project.

“Another example of a most successful “team” effort to upgrade the popular park”, commented Mayor Garth Vallely.

Mayor Vallely will conduct an official ribbon cutting ceremony at the Park and we are pleased to have the Honorable Rob Renner MLA attend the playground dedication.
