UTILITY CONSTRUCTION 32nd STREET SW & GERSHAW DR SW

Medicine Hat – Utility upgrades near the intersection of 32nd Street will begin Wednesday, October 19, 2005 with an estimated completion date of October 28, 2005.

The work will include removal and replacement of a waterline running south of 32nd Street and service road intersection beside the #3 Highway (Gershaw Drive). This construction will take place in two phases to allow for access to Medicine Hat Veterinary Services and the market. The service road will remain closed for approximately one week.

We would ask motorists to obey all traffic sign and signals, and drive slowly in the construction zone.
