

Public Advisory

City of Medicine Hat - 580 First Street S.E. - Medicine Hat, Alberta, T1A 8E6 - (403) 502-8071

**FOR IMMEDIATE RELEASE
DECEMBER 30, 2005**

WATER MAIN BREAK – FOURTH STREET S.E. AND THIRD AVENUE S.E. AREA - DOWNTOWN

MEDICINE HAT – The City of Medicine Hat, Environmental Utilities department is repairing a water main break that will affect City Hall, the Public Library, Esplanade and all of the high pressure fire hydrants (yellow hydrants). The break is located in the area behind “Everybody’s Business” on Third Street SE.

Downtown businesses will still have water service but at reduced pressure. The break is located near other underground utilities so the crews will be working with care and caution! Traffic will be re-routed around the affected area.

The crew is in the area at this time. When all underground utilities have been located, excavation of the leak will begin. It is anticipated that work will continue through the late afternoon.

The City asks for your patience as the crews work on the area. Notification will be circulated once repairs have been completed.
