## **City to Host 2011 Southern Alberta Summer Games**

**Medicine Hat** – The Southern Alberta Recreation Association has awarded the 2011 Southern Alberta Summer Games to the City of Medicine Hat.

“I recently participated in the athlete’s parade as well as the Closing Ceremonies at this year’s games being hosted by the County of Newell and the City of Brooks and I am excited that Medicine Hat will have the honour of hosting in 2011,” said Mayor Norm Boucher.

The summer games include everything from soccer and baseball to kayaking and cribbage.

“Medicine Hat is a great community to host these games because we have many quality venues and facilities including 44 ball diamonds and 38 soccer pitches,” said Mayor Boucher. The excellent facilities in the city, combined with the strength of the community’s volunteer and corporate base will contribute to a successful 2011 Southern Alberta Summer Games in Medicine Hat from July 6<sup>th</sup> to 9<sup>th</sup>.
