## **Northwest Industrial Area Roadway Network Functional Planning Study**

**Medicine Hat** – The City of Medicine Hat Municipal Works Department is hosting a public open house Thursday June 17, on the *Northwest Industrial Area Roadway Network Functional Planning Study*.

The purpose of the functional planning study was to identify upgrades to the arterial roads in the northwest area required to accommodate future growth.

The final report for the functional planning study is scheduled to be complete in August of 2010.

The public open house will provide information on the findings of the study and give residents the opportunity to provide feedback.

A consultant team and City staff will be on hand to answer any questions.

**What: Northwest Industrial Area Roadway Network Functional Planning Study  
Open House**
