## **Transit Service for Parade Days**

**Medicine Hat** – Medicine Hat Transit is pleased to continue to operate regular Transit service during the Medicine Hat Exhibition and Stampede Parade July 29, 9 – 11 a.m. and the Kiddies Parade July 30 from 10 – 11a.m.

Route Ten N.E. and Route 11 N.W. buses will operate on modified routing and will not go to the downtown terminal however, extra buses will be added to shuttle passengers to the downtown terminal. The transfer location will be in the vacant cul-de-sac across Parkview Dr N.E. near the Shamrock Bottle Depot.

The Shuttle bus will depart from the main terminal at the North West location.

Due to the closure of several streets in the downtown core for the parade, Routes 20, 21 & 22 will be detouring. The affected bus stops will be signed in advance.

Service will continue to operate as effectively as possible, however some delays/disruptions can be expected during the duration of the parades. Please plan accordingly.
